

Dempster Internal Drainage Board – Annual Return 2019

Additional sheet to accompany AGAR Pt 3 Form – Section 1

Explanation

The Board has answered 'No' to assertion number 4, in accordance with the External Auditor's Report for 2017/18, which noted that the Board did not make "proper provision during the year 2018/19 for the exercise of public rights, since the period for the exercise of public rights did not include the first 10 working days of July." This occurred due to a delayed change of administration after the year-end, resulting in the period for the exercise of public rights taking place from 15th August 2018 to 25th September 2018.
